

Environment and Safety Research for FY 1978

Volume I - Executive Summary

Published: December 1979

U.S. Department of Energy
Assistant Secretary for Environment
Office of Program Coordination
Washington, D.C. 20545

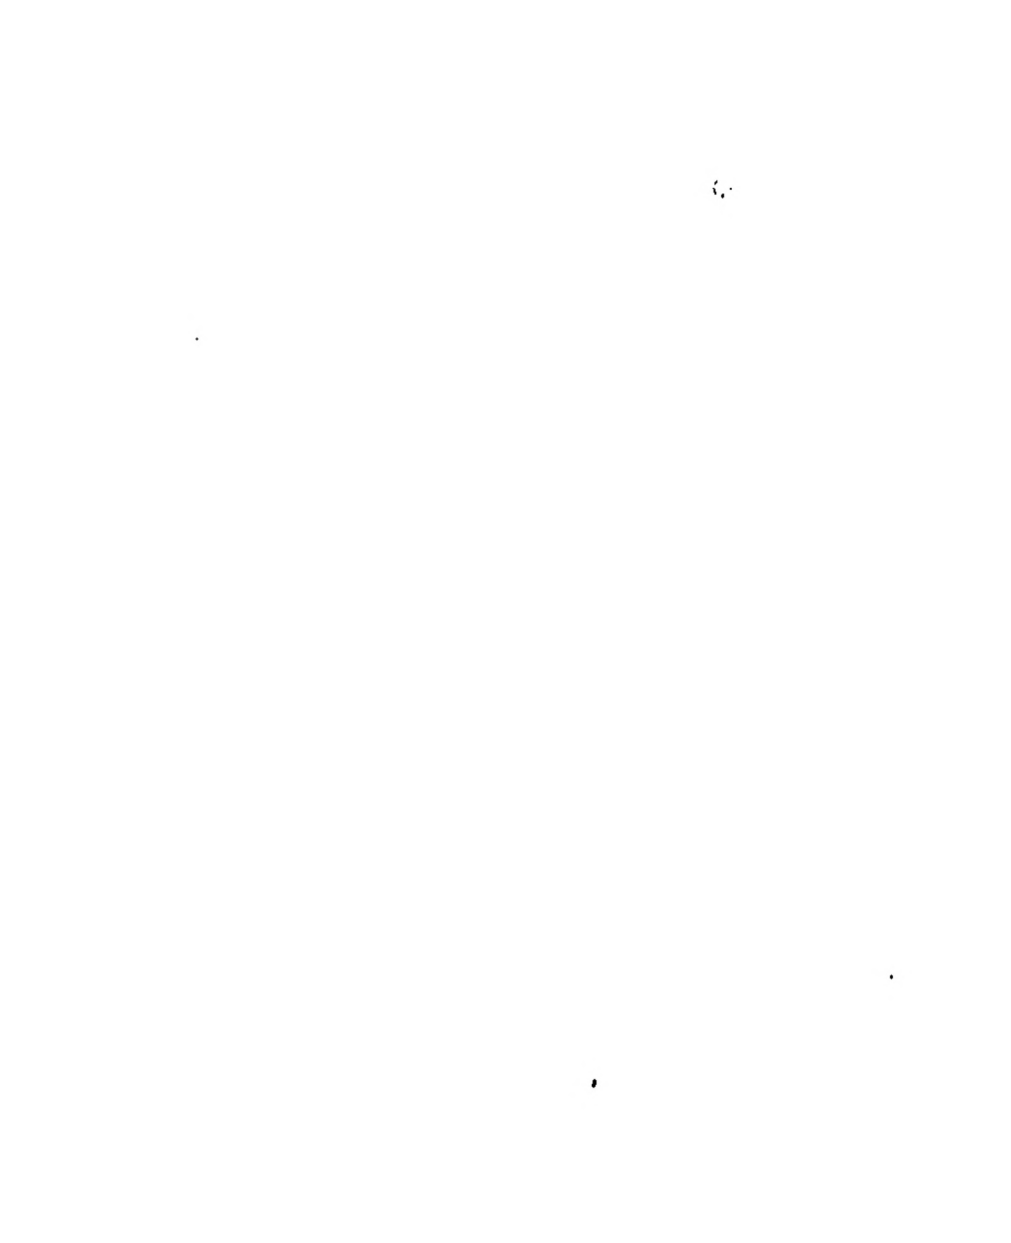

CONTENTS

LIST OF FIGURES	
LIST OF TABLES	
FOREWORD	
Introduction.	
Overview of Inventory Data.	
Biomedical and Environmental Research Summary	
Environmental Control Technology Research Summary	
Operational Safety Research Summary	
Appendix A. Inventory Questionnaire (Form DOE/EV-294).	
Appendix B. Principal Contacts	
Appendix C. Agency Abbreviations	
Appendix D. Log Agencies	

- 3.1 Comparison of FY 1976, FY 1977, and FY 1978 percentage funding for energy sources in biomedical and environmental research
- 3.2 Distribution of funding by type of activity in biomedical and environmental research
- 3.3 Monitoring agency funding by energy source for biomedical and environmental research
- 4.1 Comparison of FY 1976, FY 1977, and FY 1978 percentage funding for energy sources in environmental control technology research.
- 4.2 Distribution of funding by type of activity in environmental control technology research.
- 4.3 Monitoring agency funding by energy source in environmental control technology research.
- 5.1 Comparison of FY 1976, FY 1977, and FY 1978 percentage funding for energy sources in operational safety research
- 5.2 Distribution of funding by type of activity in operational safety research.
- 5.3 Monitoring agency funding by energy source for operational safety research.

- 2.5 Monitoring agency funding by energy source
- 3.1 Federal agency responses — biomedical and environmental research projects.
- 3.2 Reported funding for biomedical and environmental research
- 3.3 Distribution of funding agency dollars for biomedical and environmental research by energy source.
- 3.4 Biomedical and environmental research funding by energy source
- 3.5 Distribution of funding agency dollars by biomedical and environmental research categories.
- 4.1 Federal agency responses — environmental control technology research projects.
- 4.2 Reported funding for environmental control technology research
- 4.3 Distribution of funding agency dollars for environmental control technology research by energy source
- 5.1 Federal agency responses — operational safety research projects
- 5.2 Reported funding for operational safety research
- 5.3 Distribution of funding agency dollars for operational safety research by energy source
